SLSWCS

Student Workshop on Computer Science

Department of Computer Science, University of Jaffna

04 December 2021

Virtual mode also available for participants from long - distance

CALL FOR POSTERS

The workshop provides a stimulating opportunity for young research students across the country to involve in discussions with some top researchers from local or foreign universities. Participants will also have the possibility to present results of their research activities and to interact with their scientific peers, in a friendly and constructive environment that would possibly lead to future collaborations.

SUGGESTED RESEARCH FIELDS

Prospective authors are invited to submit posters in the research areas of their interest to the workshop including to the areas but not limited to: Artificial Intelligence, Bioinformatics, Edge Computing, Computer Graphics, Computer Vision, Computer Networks, Cyber Security, Deep Learning, High Performance Computing, Internet of Things, Machine Learning, Mobile Computing, Natural Language Processing, Pattern Recognition, Robotics, Software Engineering, and Web Technologies.

"Best Presentation" and "Best Poster" prizes will be awarded during the closing ceremony of SL-SWCS'21.

Registration Fee :

Undergraduate Students	LKR 500.00
Postgraduate Students	LKR 750.00
Others	LKR 1,500.00

Venue :

Auditorium of the DCS,
University of Jaffna, Sri Lanka.

KEYNOTE SPEAKERS

Prof. Vallipuram Muthukkumarasamy
Associate Professor, Griffith University, Australia.

Dr. Leland Wilkinson
Chief Scientist - H2O.ai
California, United States.

Dr. Jeewika Ranaweera
Principal Hardware Engineer, Oracle
California, United States.

IMPORTANT DATES

CALL FOR POSTERS	01 AUGUST 2021
POSTER SUBMISSION DEADLINE	10 OCTOBER 2021
NOTIFICATION OF ACCEPTANCE	03 NOVEMBER 2021
REGISTRATION	08 NOVEMBER 2021
CAMERA-READY POSTER	15 NOVEMBER 2021
SL-SWCS'21	04 DECEMBER 2021
